

Teach for Utah Application Requirements

Following are the requirements for the Teach for Utah program.

3.2 Minimum high school or university GPA

1 Letter of Recommendation

- This letter should be from a high school STEM instructor or university STEM professor addressing your abilities, aptitude and potential to master scientific content material. Send this link to the person who will write your letter of recommendation: https://utahscience.co1.qualtrics.com/jfe/form/SV_9YOIAJ1JTafSQsK

Statement of Purpose (750 word maximum)

- Tell us about why you are interested in teaching and any formal or informal experiences you have had as a teacher or student that have influenced your career path. What goals do you have as a teacher in Utah and how will the Teach for Utah program help you achieve them? Reflect on your thoughts and experiences related to equity and social justice in educational settings. How might teachers help students overcome barriers of social and economic class, racism, language differences, and other inequities that might limit opportunities? Tell us about the personal qualities and/or experiences that make you a strong candidate for the program.

You can **apply** for the BS/MEd pathway and Teach for Utah program

here: https://utahscience.co1.qualtrics.com/jfe/form/SV_3I0AiRHRhamcD7U

Applying the Teach for Utah program does not guarantee admission into the UITE licensure and Educational Psychology M.Ed. program. A second application will need to be submitted prior to entering the M.Ed. program in your final year of study. Please contact an advisor for more details.
